## MESSAGE

**I**t gives me immense pleasure to announce that the Madan Mohan Malaviya University of Technology (MMMUT) is commencing the admission process of the undergraduate programmes (B.Tech., B.Pharm., and BBA) for the academic year 2025-26. Madan

Mohan Malaviya University of Technology (formerly known as Madan Mohan Malaviya Engineering College) has a 63-year-old legacy of excellence in education and technology development. Our vision, at MMMUT, is to facilitate and promote studies, research, technology incubation, product innovation and extension work in Science, Technology and Management Education, and also to achieve excellence in higher technical education.

We nurture the young and talented brains of our students to make them successful professionals, strong leaders, scientists, and thoughtful visionaries. The comprehensive curricula of our university are designed as per the latest guidelines of NEP-2020 with multiple entry and multiple exit policy and include an international perspective to provide multiple opportunities to the students for their holistic development. The curriculum is designed keeping in mind the emerging challenges of industrial environment, business environment, pharmaceutical professionals, and society. The diverse extra-curricular activities and the various student societies through council of student's activities make learning a joyous experience for our students. We are focused and committed towards empowering our students with the knowledge and skills that let them open their wings and fly high. The vast group of recruiters visiting our campus and the placement statistics of our university highlight the careful technological and comprehensive grooming that our students receive during their stay at MMMUT. I would like to assure you that becoming a part of the MMMUT student fraternity will help you shape your academic future in a very fruitful way. I hope that this undergraduate admission brochure shall provide all the needful information about admission procedures, and other related academic activities. I send my best wishes to the candidates applying for admission to the undergraduate programmes at Madan Mohan Malaviya University of Technology.

**(Prof. J. P. Saini)**  
Vice Chancellor

# 1 ABOUT THE UNIVERSITY

Madan Mohan Malaviya University of Technology (MMMUT), Gorakhpur has been established in year 2013 by the Government of Uttar Pradesh as a non-affiliating, teaching, and research University after reconstituting the Madan Mohan Malaviya Engineering College, Gorakhpur which was established in 1962.

Fifty-nine batches of engineering students have passed out after four years of rigorous education under the tutelage of some of the most venerable teachers, engineers ready to face the world and create new worlds.

The University has a lush green campus that spreads over a vast area of 354 acres. As you enter its gate, the first sight that greets you is the colour green. ### Step-2: Filling of Information

Using User-id and Password (generated at **Step-1**), enter basic details i.e. category, sub-category etc. as displayed in application form. Information provided by JEE apex body will be final.

**Note :**  For category and sub-category definitions please refer Reservation Criteria section (7.3)

63 Glorious Years

- ⦿ It is solely the responsibility of the candidates to verify that their personal data, including category, sub-category and gender etc. are consistent with the information provided in the JEE Main-2025 application form. MMMUT is not responsible for any omissions in the details and its consequences thereafter.
- ⦿ If the personal data of the candidate is found incorrect at the time of document verification or at any later stage, the allotment of seat/ admission is liable to be cancelled.

### Step-3: Payment of counselling Fee

After successful registration, the candidate must pay the counselling Fee of **Rs. 2500/-** (non- refundable) using online payment gateway before proceeding to uploading of documents at **Step-4** and Choice filling and locking at **Step-5** and **Step-6**, respectively.

### Step-4: Uploading of Documents

After successful payment of counselling fee, the candidate must upload all the required relevant documents online within the stipulated time. If a candidate fails to upload/submit the required document within the stipulated time, **his/her candidature shall not be considered in any round of seat allotment except spot counselling.**

### Step-5: Choice Filling

After successful uploading of documents, the candidates are required to fill the choices in order of his/her preference available as per his/her applied course for admission.

### Step-6: Choice Locking

Once the choices are filled-in, the candidate is required to check the order of preference of choices thoroughly and if any alterations in the order of preference is required, rearrange them. Once the order of preference of choices is final, the candidate can lock the choices by clicking the submit button. Thereafter the candidate will receive an OTP on his/her registered email or mobile number which should be used for locking the choices finally.

After the choices are locked, candidates will not be able to change their choices under any circumstances. Candidates must take a printout (hard copy) of printable document for his/her future references.

Registered candidates who do not fill any choices will not be considered for seat allotment. His/her registration fee will also not be refunded. The registered candidates who have filled the choices but forgot to lock these choices, their filled choices will be considered automatically locked upon expiry of the registration & choice filling process and the seat allotment shall be made based on these choices.

**Note :** Please note that the choices (order of preference), once submitted and locked, are not allowed to be altered/modified under any circumstances. All rounds of allotment will use this locked choice for seat allotment.

### Step 7: Seat Allotment

The final locked choices of the candidates would be processed centrally, and the result of seat allotment will be announced on counselling portal.

### Step 8: Online Document Verification

All the relevant and original documents will be verified within the stipulated time through online mode. Candidates are required to keep one set of self-attested copies of required documents. The documents of candidates will be verified and will be asked to re-upload the documents in case of any discrepancy within stipulated time. The candidate is required to be attentive and regularly visit the counselling portal throughout documents verification period to upload required documents in case of discrepancy. It is the responsibility of the candidate to visit the counselling portal and be informed about his/her document verification status failing which University will not be responsible for any loss due to lack of communication. If the document of candidates is not successfully verified within stipulated time, the provisional allotment letter will be cancelled, and allotted seat will be given to other candidate as per merit during next round of seat allotment. The candidature of such candidate shall not be considered in any subsequent round of seat allotment except spot counselling.

### Step 9: Willingness to FREEZE or FLOAT

### 3.6. COUNSELLING PROCEDURE FOR B.TECH. SECOND YEAR (LATERAL ENTRY)

#### Steps of the Online Counselling Process

The candidates are required to read the following steps of online counselling carefully before proceeding for online registration followed by online choice filling etc.

#### Step-1: Online Registration for Counselling

All the candidates who have qualified CUET(UG)-2025/CUET(PG)-2025 and fulfilling criteria as mentioned in section (3.2) can register for counselling by filling personal information through website “<https://mmmut.admissions.nic.in/>”.

**Note :** If the personal data of the candidate is found incorrect at the time of document verification of certificates either at the time of reporting or at any later stage, the allotment of seat/admission is liable to be cancelled and his/her university fee will be forfeited.

#### Step-2: Payment of counselling Fee

After successful registration, the candidate must pay the counselling fee of Rs. 2500/- (non-refundable) using online payment gateway.

#### Step-3: Uploading of Documents

After successful payment of counselling fee, the candidate must upload all the required relevant documents online within the stipulated time. If a candidate fails to upload/submit the required document within the stipulated time, **his/her candidature shall not be considered in any round of seat allotment except spot counselling.**

#### Step-4: Choice Filling

After successful uploading of documents, the candidates are required to fill the choices in order of his/her preference available as per his/her applied course for admission.

#### Step-5: Choice Locking

Once the choices are filled-in, the candidate is required to check the order of preference of choices thoroughly and if any alterations in the order of preference are required, rearrange them. Once the order of preference of choices are final, the candidate can lock the choices by clicking the submit button. After the choices are locked, candidates will not be able to change their choices under any circumstances. A printable version of the choices locked along with the terms and conditions agreed by the candidate at the time of registration will be displayed. Candidates must take a printout (hard copy) of printable document for his/her future references. B.Tech-Lateral registered candidates who do not fill in any choices will not be considered for seat allotment. His/her registration fee will also not be refunded. The registered candidates who have filled the choices but forgotten to lock choices, their filled choices will be considered automatically locked on last date of registration and candidates will be considered for seat allotment.

**Note :** Please note that the choices (order of preference), once submitted and locked, are not allowed to be altered/modified under any circumstances. Hence, the utmost care must be taken while locking the choices. All rounds of allotment will use this locked choice for seat allotment.

#### Step 6: Seat Allotment

The final locked choices of the candidates would be processed centrally, and the result of seat allotment will be announced on counselling portal.

#### Step 7: Online Document Verification

All the relevant and original documents will be verified within the stipulated time through online mode. Candidates are required to keep one set of self-attested copies of required documents. The documents of candidates will be verified and will be asked to re-upload the documents in case of any discrepancy within stipulated time. The candidate is required to be attentive and regularly visit the counselling portal throughout documents verification period to upload required documents in case of discrepancy. It is the responsibility of the candidate to visit the counselling portal and be informed about his/her document verification status failing which University will not be responsible for any loss due to lack of communication. If the document of candidates is not successfully verified within stipulated time, the provisional allotment letter will be cancelled, and allotted seat will be given to other candidate as per merit during next round of seat allotment. The candidature of such candidate shall not be

considered in any subsequent round of seat allotment except spot counselling.

### Step 8: Willingness to FREEZE or FLOAT

The candidate with the allotted branch as per his/her locked choices must submit the willingness to FREEZE or FLOAT option. However, the candidate can also freeze his/her allotted seat at a later stage after satisfactory allotment. FREEZE option will fix the admission of candidate in the allotted branch. However, FLOAT option will allow to participate in further round of counselling and will allow them to get better branch as per their preferences, if seats are vacant in further round of counselling.

### Step 9: Deposition of Confirmation Fee

- ☞ The candidate is required to take the printout of the provisional allotment letter from their login, in case of seat allotment. There is no provision of sending allotment letter individually to the candidate by post.
- ☞ Candidates are required to pay Complete /Acceptance/Confirmation fee, as notify later on university website, online using the payment gateway services within the stipulated time mentioned in the allotment letter, failing which the provisional admission offered to the candidate will be cancelled and the offered seat will be allotted to another candidate as per the merit. The candidature of such candidate shall not be considered in any subsequent round of seat allotment except spot counselling.

### Step 10: Deposition of the remaining University Fee

Candidates are required to submit the willingness for hostel (yes/no) and deposit remaining university fee (if any) accordingly after deducting confirmation fee before registration/reporting for academic session 2025-26.

### Step 11: Physical Document Verification at University

After provisional admission, all the relevant and original documents will be verified at the time of physical reporting at university along with one set of self-attested copy of required documents, failing which the provisional admission offered will be cancelled and University fee will be forfeited.

### Documents Required at the time of Physical Document Verification at University

At the time of document verification following original documents shall be required.

1. Certificate of High school or equivalent examination for verification of date of birth.
2. The candidates seeking admission in B.Tech. Second Year (Lateral Entry) should upload/submit/produce an original marksheet of their qualifying examination. Domicile certificate of Parents (Father or Mother only) of the candidate, issued by the competent authority on prescribed on the prescribed format as given in appendix-A must be produced by the candidates, for the candidates who have passed qualifying examination from the states other than U.P. The candidates who have passed qualifying examination from U.P need not to upload the domicile certificate of parents.
3. Category certificate for EWS candidate issued by the competent authority issued on or after April 01, 2025, if applicable, on prescribed on the prescribed format as given in appendix-A.
4. Category certificate for OBC candidate issued by the competent authority, if applicable, on the prescribed format as given in appendix-A and issued on or after April 01, 2025 (mandatory due to the condition of the creamy layer of the OBC).
5. Category certificate for SC/ST candidate issued by the competent authority, if applicable, on the prescribed format as given in appendix-A.
6. Physically handicapped candidate will be required to produce a certificate issued by the Chief Medical Officer in the prescribed on the prescribed format as given in appendix-A. A medical board, consisting of a general physician, orthopedist, and ophthalmologist may be referred to verify the claim of the certificate if there is any doubt.
7. The candidate of Armed Forces category (UPAF) will be required to produce a certificate issued by the competent authority on the prescribed on the prescribed format as given in appendix-A available on the university website.

**Note :** Priority must be mentioned in certificate as per Govt. Order.

8. Candidate belonging to freedom fighter's category (UPFF) will be required to produce a certificate to this effect issued by the competent authority on the prescribed on the prescribed format as given in appendix-A available on the university website.
9. A medical fitness certificate as prescribed on the prescribed format as given in appendix-A at the time of reporting to the University.

#### Important Note:

Following Candidates are not eligible to participate in various rounds of seat allotment:

- a) Candidates who have not registered within the stipulated time.
- b) Candidate fails to upload relevant documents within the stipulated time due to any reason whatsoever.
- c) Candidate failed in online document verification.
- d) The candidate fails to deposit the Seat Acceptance/Confirmation fee.

### 6.7. MERIT LIST PREPARATION RULES

**For admission in B.B.A. first year following test papers will be considered for the preparation of Merit List**

- a. Any One Paper from Domain Category ((301) to (326))
- b. General Aptitude Test (501)

The Merit list will be prepared by adding the normalized score obtained by candidates in prescribed test papers.

#### Tie Breaking in case of Equal Normalized Score

If there is a tie in the total normalized score of two or more candidates, the order of merit for such candidates shall be decided in the following order:

1. Rank determination by normalized score obtained in General Aptitude Test in CUET(UG)-2025. Candidates obtaining higher normalized score will be given a better rank.
2. Rank determination by Date of Birth. If one candidate is older than another, then the older candidate will have a better rank compared to the younger candidate.
3. Rank determination by CUET(UG)-2025 Application Number provided to candidates. Candidate having lesser Application Number will have a better rank compared to higher Application Number.

### 6.8. OTHER IMPORTANT INSTRUCTIONS

- (i) The candidate must himself/herself ensure his/her eligibility to appear in the CUET(UG)-2025. If a candidate who is not eligible to appear in the examination, does so; he/she will not have any claim whatsoever, for admission to any program through entrance test.
- (ii) Candidates who are yet to appear in the qualifying examination or have appeared, but results are awaited, are also eligible to appear in the CUET(UG)-2025. However, the candidates in respect of whom the result of the qualifying examination has not been declared by the date of document verification due to any reason whatsoever, shall not be eligible for admission under any circumstances.
- (iii) CUET(UG)-2025 for admission in B.B.A. is open to the candidates who have passed the qualifying examination from any institution located in U.P. or whose parents are domicile of U.P subject to the eligibility conditions given in this chapter.
- (iv) For B.B.A., if the candidate has passed qualifying examination from outside of U.P., he/she has to produce domicile certificate of his/her parents (father/mother only) at the time of verification of documents, failing which the candidature shall stand cancelled.
- (v) Accepting admission in the University implies acceptance by the candidate and his/her parents or guardians, of all the provisions given in this admission brochure and the University rules as applicable. Any change in the rules, regulations, fees, and special conditions, etc. of the University shall mutatis mutandis apply to the admitted candidate.
- (vi) Candidates seeking advantage of reserved categories are required to indicate the same but not to enclose any supporting certificates with the application form. These certificates will have to be produced in original at the time of document verification along with one attested copy of each one of them. The proforma of certificates are given at the end of this admission brochure at Appendix-A, these are subject to change even up to the starting date of counselling as per orders of Govt. of Uttar Pradesh/University. Candidates essentially required to produce the respective certificates in support of their claim for reservation on prescribed format only. Any deviation unless approved by the University in the proforma will deprive the candidate from the benefit being claimed. Note that the Certificate for EWS and OBC candidates will be valid only when it is issued on or after 01.04.2025 (mandatory due to conditions of creamy layer for OBC).
- (vii) If any document/declaration submitted by the candidate is found to be false at any stage, his/her candidature for admission shall be cancelled and he/she will be liable for prosecution under the law. In case of any legal dispute regarding admission, the jurisdiction will be limited to Gorakhpur courts only.
- (viii) If any Board awards only letter grades without providing an equivalent percentage of marks on the grade sheet, the candidate should obtain a certificate from the Board specifying equivalent marks and submit it at the time of document verification. In case, such a certificate is not provided by the candidate, the decision of the University Admission Cell (UAC) regarding his/her eligibility shall be final and binding.
- (ix) For admission in B.B.A. program, the admit card, result, and all related notifications in connection with CUET(UG)-2025 shall be made available on their official websites. For matters related to admissions as well as counselling of the Program, the candidates are required to visit University's official website [www.mmmut.ac.in](http://www.mmmut.ac.in) regularly. It is the responsibility of the candidate to visit these websites and be informed about all information relevant to him/her failing which University will not be responsible for any loss due to lack of communication.
- (x) The date of reporting for the newly admitted students shall be notified on University website and shall also be informed to the candidate in the admission offer letter during the counselling.

## 7 RESERVATION CRITERIA

Candidates seeking admissions in different programs are advised to read the reservation rules carefully before filling their application form for counselling through JEE MAIN-2025/CUET(UG)-2025/ CUET(PG)-2025.

### 7.1. RESERVATION

#### (i) Vertical Reservation (Category)

S.No.	Category	Percentage of Reservation
a.	Scheduled Caste of U.P.	21%
b.	Scheduled Tribe of U.P.	2%
c.	Other Backward Classes of U.P.	27%
d.	Economically Weaker Section of U.P.	10%

#### (ii) Horizontal Reservation (Sub-category in each vertical reservation category)

S.No.	Sub-Category	Code	Maximum Percentage of Total Seats*
a.	Dependents of Freedom Fighters from U.P.	UPFF	2%
b.	Sons/Daughters of defence personnel of U.P. either retired (superannuated) or killed/disabled in action or defence personnel posted in U.P.’	UPAF	5%
c.	Divyangjan/differently abled person (early known as disable) of U.P.	UPHC	5%
d.	Girls of U.P.	UPGL	20%

\* Subject to change as per latest instructions of Govt. of U.P. till the date of counselling.

- (iii) The candidates can claim only one type of horizontal reservation out of UPFF/UPAF/UPHC. However, the female candidates can also claim for any one of UPFF/UPAF/UPHC along with UPGL.
- (iv) The change of category/sub-category filled in Online submission shall not be entertained under any circumstances.
- (v) Category/sub-category must be supported by the relevant certificates as per proforma given in Appendix-A to be produced at the time of document verification in counselling, failing which the candidates will not get advantage of respective category/sub-category.
- (vi) The advantage of horizontal reservation in the Armed force sub-category is available to sons/daughters of ‘defense personnel of U.P. either retired (superannuated) or martyred/disabled in action and the dependents settled in U.P.’ or ‘the defence personnel posted in U.P.’ on the date of entrance test.
- (vii) Certificate 4, 5 and 6 in Appendix-A are required at the time of document verification, for claiming reservations in subcategories mentioned in 7.1(i) & 7.1(ii).
- (viii) Please note that benefit of UPGL subcategory will automatically be given to all the female candidates.
- (ix) As per Guidelines from Ministry of Defence, the order of priorities for reservation or preferences to the wards of Armed Forces Personnel by States/UTs/Central/State Universities/Autonomous. Institutions for admission in Medical/ Professional/ Non-professional Programs, will be as follows:

Priority I	Widows/Wards of Defence personnel killed in action.
Priority II	Wards of disabled in action and boarded out from service.
Priority III	Widows/Wards of Defence personnel who died while in service with death attributable to military services.
Priority IV	Wards of disabled in service and boarded out with disability attributable to military services.
Priority V	Wards of Ex-Servicemen and serving personnel who are in receipt of Gallantry Awards: 1) Param Vir Chakra                      2) Ashok Chakra                      3) Sarvottam Yudh Seva Medal 4) Maha Vir Chakra                      5) Kirti Chakra                      6) Uttam Yudh Seva Medal 7) Vir Chakra                      8) Shaurya Chakra                      9) Yudh Seva Medal 10) Sena, Nau Sena, Vayu Sena Medal                      11) Mention-in-Dispatches.
Priority VI	Wards of Ex-Servicemen.
Priority VII	Wives of : 1) defence personnel disabled in action and boarded out from service. 2) defence personnel disabled in service and boarded out with disability attributable to military service. 3) ex-Servicemen and serving personnel who are in receipt of Gallantry Awards.
Priority VIII	Wards of Serving Personnel.
Priority IX	Wives of Serving Personnel.

## 7.2. MEDICAL STANDARDS

- Candidates will have to submit a certificate of medical fitness/handicap on Certificate 8 in Appendix-A at the time of document verification.
- The medical standards prescribed are as given below:

### Medical Standards Applicable:

Height	Candidate should be Physically fit to pursue his/her studies in the opted Program.
Weight	
Chest measurement	
Heart and lungs	No abnormality
Hernia, hydrocele, piles etc.	Presence of any of these is to be essentially corrected before joining.
Vision	Normal. If defective, it must be got corrected to 6/9 in the better eye and 6/12 in the worse one. Eyes should be free from congenital or any other disease.
Hearing	Normal. If defective, it must be got corrected before joining.
Physically handicapped/ disabled	The candidate having any one type of physical handicap/ disability given below.

### Physically Handicapped/Disabled:

Type – I	Minimum 40% Permanent Visual Impairment
Type – II	Minimum 40% Permanent Locomotors Disability
Type – III	Minimum 40% Permanent Speech and Hearing Impairment

## 7.3. CATEGORY DEFINITIONS

- UPGE:** Candidates, who have passed the qualifying examination from an institution located in the State of Uttar Pradesh and who do not claim for any reserved category are eligible for admission to all the Programs in the University against available General (OPEN) seats (No certificate required).
- UPSC/UPST/UPBC/UPGEEWS:** Candidates, who have passed the qualifying examination from an

institution located in U.P. and are domicile of U.P.; and belong to Schedule Caste (SC) of U.P./Schedule Tribe (ST) of U.P./Other Backward Classes of U.P./Economically Weaker Section (EWS) of U.P. are eligible for admission against available reserved seats of their respective category. Certificate 1 or 2 or 13A and 13B as applicable is required. List of SC, ST and OBC castes as per SC/ST Act 1976 and Government Order 4/1/2001-TC/Ka-2/2002 dt. 19/09/2002 and as provided by concerned U.P. Govt. department.

- (iii) **UPGD:** Candidates, who have passed the qualifying examination from an institution located outside U.P. and whose parents are domicile of U.P.; and who have not claimed for any reserved category, are also eligible for admission to Programs offered in the University under General (OPEN) category. Such candidate has to produce the domicile certificate of his/her parents (father/mother only) at the time of counselling. (Certificate 3 in Appendix-A)
- (iv) **GDSC/GDST/GDBC/UPGDEWS:** Candidates, who have passed the qualifying examination from an institution located outside U.P.; and whose parents are domicile of U.P.; and who belong to Schedule Caste of U.P./Schedule Tribe of U.P./Other Backward classes of U.P. /Economically Weaker Section (EWS) of U.P. are also eligible for admission against reserved seats of their category. Such candidate has to produce the domicile certificate of his/her parents (Father/Mother only) (Certificate 3) and category certificate (Certificate 1 or 2 or 13A and 13B as applicable) at the time of counselling. List of SC, ST and OBC castes as per SC/ST Act 1976 and Government Order 4/1/2001-TC/Ka-2/2002 dt. 19/09/2002 and as provided by concerned U.P. Govt. department.
- (v) **GDDA:** The domicile requirement to son/daughter of following is relaxed and admission is permitted to such:
- Defense personnel settled in U.P. on the date of respective entrance test after retirement/being disabled in action or defense personnel killed in action and the dependents settled in U.P. on the date of entrance test. Certificate 5 **Appendix-A** is required.
  - Defense personnel who are not domicile of U.P. but are posted in U.P. on the date of respective entrance test. Certificate 5 in Appendix-A is required.
  - Employee of **All India services** belonging to U.P. cadre. Certificate 10 in **Appendix-A** is required.
- (vi) GDDA candidates will be considered as UPGD category for all other benefits.
- (vii) The definition of categories used in seat matrix are as follows:

Abbreviation of allotted Category	Category	Subcategory
GNOP	General (OPEN) Open for all candidates of Home State (Uttar Pradesh)	
GNGL	General	Girls of U.P.
GNAF	General	Sons/Daughters of defence personnel of U.P. either retired (superannuated) or killed/disabled in action or defence personnel posted in U.P.’
GNFF	General	Dependents of Freedom Fighters from U.P.
GNHC	General	Divyangjan/ differently abled persons of U.P.
EWOP	Economically Weaker Section of U.P.	
EWGL	Economically Weaker Section of U.P.	Girls of U.P.
EWAF	Economically Weaker Section of U.P.	Sons/Daughters of defence personnel of U.P. either retired (superannuated) or killed/disabled in action or defence personnel posted in U.P.’

EWFF	Economically Weaker Section of U.P.	Dependents of Freedom Fighters from U.P.
EWHC	Economically Weaker Section of U.P.	Divyangjan/differently abled persons of U.P.
BCOP	Other Backward Classes of U.P.	
BCGL	Other Backward Classes of U.P.	Girls of U.P.
BCAF	Other Backward Classes of U.P.	Sons/Daughters of defence personnel of U.P. either retired (superannuated) or killed/disabled in action or defence personnel posted in U.P.’
BCFF	Other Backward Classes of U.P.	Dependents of Freedom Fighters from U.P.
BCHC	Other Backward Classes of U.P.	Divyangjan/ differently abled persons of U.P.
SCOP	Scheduled Caste of U.P.	
SCGL	Scheduled Caste of U.P.	Girls of U.P.
SCAF	Scheduled Caste of U.P.	Sons/Daughters of defence personnel of U.P. either retired (superannuated) or killed/disabled in action or defence personnel posted in U.P.’
SCFF	Scheduled Caste of U.P.	Dependents of Freedom Fighters from U.P.
SCHC	Scheduled Caste of U.P.	Divyangjan/ differently abled persons of U.P.
STOP	Scheduled Tribe of U.P.	
STGL	Scheduled Tribe of U.P.	Girls of U.P.
STAF	Scheduled Tribe of U.P.	Sons/Daughters of defence personnel of U.P. either retired (superannuated) or killed/disabled in action or defence personnel posted in U.P.’
STFF	Scheduled Tribe of U.P.	Dependents of Freedom Fighters from U.P.
STHC	Scheduled Tribe of U.P.	Divyangjan/differently abled persons of U.P.
OP	OPEN (Open for all candidates of Other State (Other than Uttar Pradesh))	

**Note :** Proforma of various certificates is available in Appendix-A. In case of the online category/reservation certificates, the advantage of the reserved category shall be provided subject to their online validation through respective statutory website, failing which such candidate will not be entitled for the advantage of reserve category and they will be treated in general category. In case of the candidates who do not submit the proper category/reservation certificate in the prescribed proforma at the time of document verification, the advantage of reserved category shall not be provided to them, and they will be treated in General Category.

## 8 ACADEMIC DEPARTMENTS

### 8.1. DEPARTMENT OF CIVIL ENGINEERING

The Civil Engineering Department established in 1962, in Madan Mohan Malaviya University of Technology, Gorakhpur, is one of the oldest departments of the University, working since its inception. The department has, over the years, established its status as a centre for imparting high-quality technical education to undergraduate and post-graduate students and extending consultancy services to industries and various government departments located in the Eastern U. P. Besides the undergraduate course of B. Tech. (Civil Engineering), the department offers three regular P. G. courses viz. M. Tech. in Seismic Design and Earthquake Engineering, M. Tech. in Structural Engineering and M. Tech. in Environmental Engineering. The facilities for doctoral research are also available in

the department. B. Tech. (Civil) offered by this department has been accredited by the National Board of Accreditation as per Washington Accord.

The department has experienced and highly qualified faculty members. The department capitalizes on its well-qualified and dedicated faculty towards achieving excellence in academics and research. Further, the strength of the department also lies in the strong linkages, it has with its alumni and various government/private organizations located in the region. The alumni of the department are well placed in various govt. / private organizations and are in close contact with the department. The department has been continuously interacting with various government and private organizations in the form of consultancy works, expert advice, design of projects etc. The department has latest versions of softwares for the learning of various areas of Civil Engineering. These software include among others ANSYS, MIDAS, STAAD PRO (with 24 modules), MATLAB, SAP 2000, OPTUM G2, CASTER etc.

With high quality faculty, staff and state of the art infrastructural facilities equipped with modern laboratories available for learning, the department also offers its expertise and other technical services in shaping various types of development projects being implemented in the fast growing part of eastern Uttar Pradesh by the State and Central government. The department is well known for its academic excellence and research contribution and provides innovations, skill development and entrepreneurship during the curriculum and extra curricular learning of students. The department has following full-fledged laboratories equipped with internet facility through LAN.

## 8.2. DEPARTMENT OF ELECTRICAL ENGINEERING

The Department of Electrical Engineering, established in 1962 has built a distinguished legacy in delivering high-quality technical education across undergraduate, postgraduate, and doctoral levels. In addition to its academic excellence, the department offers consultancy services to industries and government organizations across Eastern Uttar Pradesh and beyond, reinforcing its commitment to societal and industrial development.

The department offers B.Tech. in Electrical Engineering and two regular M.Tech. courses in Power Electronics & Drives and Control & Instrumentation along with a Ph.D. program in Electrical Engineering. It is currently undertaking several AICTE sponsored research projects that contribute to innovation and advancements in key areas of electrical engineering.

The department consistently promotes academic excellence, research, and innovation. Regular organization of seminars, workshops, and training programs fosters an enriched academic environment and strengthens industry-academia collaboration, offering students a blend of theoretical knowledge and practical exposure. Supported by a team of experienced faculty members and 12 state-of-the-art laboratories are :

- |  |   |
|--|---|
| ⚙️ Electrical Machines & Electrical Workshop Lab | ⚙️ Switchgear and Protection Lab        |
| ⚙️ Computer/Research Lab                         | ⚙️ Control System Lab                   |

| ⚙️ Drives Lab                                    | ⚙️ Non-Conventional Energy Resource Lab |

Faculty members have made notable contributions to academic literature through the authorship of several books and book chapters, focusing on contemporary topics such as electric vehicles, power filters, microgrid stability, fuzzy controllers, and solar inverters.

The department is actively engaged in industrial consultancy assignments with organizations such as UPPTCL, PWD, UP Jal Nigam etc. providing expert solutions in power systems, infrastructure development, and electric vehicle technology. Furthermore, the department secured funding from premier agencies like MeitY, UPCST, and AICTE for sponsored research projects in domains such as agrivoltaics, electric mobility, and intelligent microgrid systems.

The Department also fosters a vibrant technical culture through its active professional societies and student chapters, such as the IEEE Student Branch, which play a pivotal role in promoting co-curricular engagement, technical skill development, innovation, and leadership among students.

### 8.3. DEPARTMENT OF MECHANICAL ENGINEERING

The Department of Mechanical Engineering, established in the year 1962, is imparting quality education to the students in the field of Mechanical Engineering through its undergraduate programme (B.Tech.). Presently, the department is also running M.Tech. programmes in “Computer Integrated Manufacturing” since 2001 and “Energy Technology and Management” since 2013 as well as Ph.D. programme. The department has highly qualified faculty members and technical supporting staff.

The department is well known for maintaining a benchmark in technical education and research. Most of alumni of the department hold the highest positions in Government, Semi-Government, and Private organizations in the country as well as abroad. The department also provides a platform in the form of SAE Collegiate Club, MMMUT Chapter, for students to participate in various state as well as national level events for increasing their extracurricular abilities along with academics. The laboratories of the department are being upgraded on time to time so that they remain well equipped to cater to the Research and Development. The department has been recently equipped with various advanced and needful equipment. The department has the following full-fledged laboratories equipped with internet facilities.

- 🔍 Advanced Machining Lab
- 🔍 Solar Energy Lab
- 🔍 Fluid Machinery Lab

## 8.4. DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

The Department of Electronics and Communication Engineering (ECE), was established in 1973, with a vision to build proficient engineers capable of including values to professional excellence.

**The Department offers following programs:**

- 👁 B.Tech in ECE (Started in 1973)
- 👁 B.Tech in ECE (IoT,) (Started in 2023)
- 👁 M.Tech (VLSI) and M. Tech (Communication Systems,)
- 👁 Doctoral programs in Electronics and Communication Engineering

### Major Research area of the Department:

- ☞ Optics & Photonics.
- ☞ VLSI Design.
- ☞ IOT and Wireless Communication.
- ☞ Microwave & Antenna Design.
- ☞ Solar cells.
- ☞ Nanoelectronics.
- ☞ 5G and next generation wireless technology.
- ☞ Embedded systems and Robotics.

### Major Achievements from ECE Department :

- ☞ Large number of patents/papers published in the last five years (10 Patents and more than 500 Research Papers in peer-reviewed Journals and Conferences).
- ☞ 16 Govt. funded Research Projects (Total Grant 6.33 Cr).
- ☞ 03 Full-time PhD Positions at 1.08 Cr for five years granted under Visvesvaraya Scheme, MeitY, Govt. of India. (First time in the State Technical University in Uttar Pradesh).
- ☞ Establishment of IDEA Lab, sponsored by AICTE (Total budget: 1.1 Cr).
- ☞ Two projects won 1st Prize at the National Level Competition from IOT Lab.
- ☞ State of Art Labs such as Drone, IoT and Embedded System Labs.

### Major Project sanctioned to the department :

- ☞ Rs 85 Lakhs Project titled “Design of Low Power Memory Circuits” under C2S Scheme under MeitY, Govt. of India. License software such as CADENCE SYNOPSYS around 01 crore and Mentor Visual TCAD of around 01 crore is available in VLSI Research Lab.
- ☞ Rs 2.895 Cr project titled “Development of IoT and Drone based Agriculture Monitoring System with Objective of Skill Development of Socially Deprived Community” sponsored by MeitY, Govt. of India (Completed)
- ☞ Rs 20.8 Lacs project titled “Development of IoT based Smart Fishpond Water Quality Monitoring System” under NABARD, Govt. of India.
- ☞ Development and characterization of selenium-based chalcogenide glasses for phase change memory (PCM) devices. (Under CST UP Lucknow).

## 8.5. DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

The Department of Computer Science and Engineering is one of the largest departments in the University. From the historical point of view, the department has its great journey.

At the undergraduate level, we offer a Bachelor of Technology (B. Tech.,) program in Computer Science and Engineering with the option to specialize in Data Science, Artificial Intelligence & Machine Learning. Cyber Security & Cyber Physical Systems, Computer Graphics and Virtual Reality, Blockchain and Cryptocurrency, Software Engineering, and Geospatial Technology. The curriculum is designed considering the latest developments

in the world of computing. The multidisciplinary components of the program provide a strong foundation to the students. CSE Majors, and minors & micros specialization are highly encouraged to work on research projects with faculty members utilizing the departmental research facilities. In addition to imparting education to our students, we inculcate skills that enable our students to flourish amidst dynamic environment and technological challenges. Internet facilities are available for all students round the clock. Besides imparting theoretical knowledge, the curriculum stresses on developing analytical skills, communication, problem solving, and teamwork abilities. Recognise the today's need for, and have the preparation and ability to engage in independent and life-long learning we have introduced the concept of it in our curriculum in the broadest context of technological change. Therefore we can say that the program is designed not only to prepare students for various employment opportunities but also to cultivate their entrepreneurial spirit, ensuring they are equipped to make meaningful contributions to the corporate world and beyond.

The placement records of the CSE department are so phenomenal that they will blow your mind. Our placement record has been consistent with the placement record of more than 95% of students placed every year. Top companies that visited the campus for placements include TCS, BEL, Infosys, Microsoft, Accenture, Wipro, Amazon and many more with salaries going well beyond fifty lakhs per annum. The number of students who are doing internships is gradually increasing every year reaching to 100%.

At the graduate level, we offer a Master of Technology (M. Tech.) program in Computer Science and Engineering, and Doctor of Philosophy (Ph.D.) program in Computer Science and Engineering. An excellent combination of academic excellence in subject matters and top-notch research equips our graduate students with strong knowledge and research skills necessary for pursuing highly productive careers. The department has a thriving research environment. The faculty have expertise in computer networks and cyber security, computer architecture and design, algorithms and analysis, artificial intelligence and machine learning, data analytics and natural language processing, cloud computing and internet of things (IOT), vision and image processing, software engineering and block chain technologies. Our faculty members aim at delivering top class education blending their rich research experience with classroom teaching. The areas of ongoing research are Algorithms and Complexity, Natural Language Processing, Image Processing, Computer Vision, Data Mining, Social Network Analysis, Computational Biology, Security and Privacy, Internet of Things, Wireless and Mobile Computing, Deep Learning, Reinforcement Learning, Neural Networks, Speech Recognition Technologies, Robotic Applications, Data Science & Big Data, Cyber Security etc. The department's large faculty size enables a wide range of specialization areas to be covered, offering student's flexibility in their academic pursuits. The department continuously looks for brilliant Computer faculty who will spearhead research in the emerging areas.

The department provides high-standard computing facilities to the students. It also promotes active industry-department affiliation by finding common areas of interest and participating in research projects and consultancy services. The department is equipped with state-of-the-art academic and research laboratories, classrooms with ICT-enabled learning technologies, tutorial rooms for collaborative learning, technology club conference spaces for co-curricular activities and seminar halls with public addressing systems for augmented learning. The 1:1 computer to student ratio ensures students have an immense hands-on experience with focus predominantly on their skill development. We provide a pleasant working environment for students to undertake their practical and assignment work. Final year students and research scholars have entire separate labs at their disposal to carry out their work with high-speed internet connectivity to help them accomplishing their research objectives, even in Third year,

students are allotted systems. We have added three new laboratories, i.e., Artificial Intelligence Lab (Rs. 3 crores, one of the most prestigious labs in our UP state), AR/VR Lab (Rs. 1.80 Crores) and Cyber Forensics Wellness Clinics (Rs. 2 Crores). The University's IT Services is available to all students to support with Core University IT systems and tools, as well as many other services and facilities. IT Services also offers a range of IT learning courses for students, to support with learning and research.

The department takes immense pride in the accomplishments of its alumni, who have demonstrated excellence across diverse fields and have significantly contributed to society.

### In Nutshell

The Department of Computer Science and Engineering prepares students for careers in programming, gaming, software system development, AI, computer vision, bioinformatics, data science and data mining, privacy and security, and much more. Our courses are designed to provide the essential skills and knowledge required to further your career in today's booming tech industry.

## 8.6. DEPARTMENT OF CHEMICAL ENGINEERING

The Department of Chemical Engineering was started in the year 2016 with 60 undergraduate students in the B.Tech. Chemical Engineering programme and M.Tech. Chemical Engineering Program is 18. The postgraduate Programmes of M.Tech., in Chemical Engineering and Ph.D. was started in year 2024 and 2018 respectively. The department is well equipped with good undergraduate laboratories and research laboratories that have been upgraded. In line of vision of MMM University, Technology, the Department's goal is to offer students with a balanced set of academic and practical skills that will enable them to serve both the global chemical industry and societal requirements. Many funded research projects have been completed, and a few are now underway, with funding from prestigious organizations such as the Department of Science and Technology (SERB) and the Council of Science and Technology, Uttar Pradesh (UP-CST) in a variety of research areas. We are putting our efforts to provide students with an overall educational experience that will enable them to successful professional chemical engineers capable of lifelong learning and furthering their studies. The department is planning to start center of excellence in frontiers in the area of sustainable development.

The programmes offered by the department are:

-  B.Tech.
  M.Tech.
  Ph.D.

## 8.7. DEPARTMENT OF INFORMATION TECHNOLOGY AND COMPUTER APPLICATION

The Department of Information Technology and Computer Application (ITCA) was established on 24th August 2018 with two PG Programme- MCA & M. Tech and Ph. D Programme. It has also started one UG program- B.Tech. (IT) from the session 2019-20.

The ITCA department aims to achieve national and international recognition through the educational and research achievements of its faculty and students. The department has dedicated and highly motivated faculty members who used to make all possible efforts to prepare the students and PhD research scholars to become a successful IT professional and a very good researcher making significant contributions to the development and growth of our nation. The department has a vast legacy of well-placed and highly reputed alumni working in India and abroad.

### Focus and Career Prospects

The curriculum offers subjects such as Artificial Intelligence, Data Science and Analytics, Machine Learning, Deep Learning, AI Tools, Game Theory, Augmented Reality, Cryptography, Cyber Security, Digital Forensics, Internet of Things, Cloud Computing, Social Network Analysis, and Blockchain etc. The department also offers various programming courses like C, C++, Java, Python etc. to keep the students in sync with advances in Information Technology and prepare them for lifelong learning.

Students will be employable in companies related to software development, IoT based application industry, sensor technology, machine learning, artificial intelligence, big data analysis, networking and many more. In addition, they can pursue their higher education/ research in the above areas at premium national or international universities.

### Courses Offered

The Department offers following programs:

- 🕒 **B.Tech. - Information Technology:** (Started in 2019)

- ☞ **M.Tech. - Information Technology:** (Started in 2006)
- ☞ **MCA** (Started in 1987)
- ☞ **Ph. D** (Started in 2019)

To keep pace with rapid developments in the field of Information Technology, the courses of these programme continuously upgraded to make the students as per Industries and Academia requirements. The programme is based on Choice Based Credit System. Students take courses within and outside the department, according to the programme requirements. The courses offered are of high standard, which includes advanced topics based on recent research. In addition, the department also offers high quality research programme at the doctoral level in various areas.

To keep in pace with the current technological advancements, the UG and PG curriculum has been modified time-to-time so that the students get a feel of what exactly is happening outside in the tech-world.

### Major Areas of Research

Presently our faculty is undertaking research in following broad areas:

- |                            |                               |                                   |
|----------------------------|-------------------------------|-----------------------------------|
| ☞ Internet of Things (IoT) | ☞ Blockchain                  | ☞ Machine Learning                |
| ☞ Deep Learning            | ☞ Artificial Intelligence     | ☞ Neural Network                  |
| ☞ Wireless Sensor Network  | ☞ Advanced Database           | ☞ Social Networks                 |
| ☞ Cloud Computing          | ☞ Mobile Computing            | ☞ Web Semantic                    |
| ☞ Big data Analytics       | ☞ Natural Language Processing | ☞ Cryptography & Network Security |

### Major Achievements

- ☞ Large number of research papers published in the peer-reviewed International Journals and Conferences of high repute by the faculty and the students.
- ☞ Students and faculty also published many Book Chapters in Springer and written textbooks also.
- ☞ Some of the faculty of the department have been awarded an excellent rank in the World Scientist Ranking 2024 as well as 2025.
- ☞ Faculty of the department has submitted various Research Projects in different National agencies like DST (UP) and DST (GoI).
- ☞ All the faculty members are the members of various professional bodies of India like IEEE, Institution of Engineers, CSI etc.
- ☞ The department has conducted several Faculty Development Programs, Workshops and Expert Talks to groom the personality and skills of the Faculty, Staffs and Students.
- ☞ Faculty of the department have also taken various Keynote Lectures as Resource Persons in various International Conferences/ FDP as well as expert lectures in other Institutions to provide the benefits to our society.
- ☞ Faculty of the departments are also the recipients of different National Fellowships. One Faculty member of the department is the Executive Member in the MMMUT National Digital Library of India (NDLI) Club which has secured First position within Uttar Pradesh in 2025 as a result of its performance at national level.
- ☞ Two faculty of the department have received Industry Certification from EMC data storage system, Noida.
- ☞ One faculty of the department is the Honorary Director in Health OK organization.
- ☞ Two faculty of the ITCA department have received Research Award given by MMMUT Gorakhpur.
- ☞ One of the faculty has received the Gold Medal in M. Tech (CSE) and also received the Social and Technical awards from the industry.
- ☞ The department runs a society called Computer Society of Software Engineers (CSSE) for the extra-curricular as well as co-curricular activities of the students.

- Department has a MOOCs Recording Studio to record the lectures of faculty of any department for online support of lectures to the students.
- Students of the department have been placed in reputed software companies such as Expedia, Jus pay, Microsoft, Amazon, Flipkart, TCS, Wipro, Nagarro, Humming Wave etc with awesome packages.
- In order to nourish and groom the budding IT professionals, they are encouraged to participate in various extracurricular activities conducted by departmental student society. They are also motivated to excel their programming skills through clubs like MMMUT Reso, Code Chef etc.

### Laboratory Infrastructure

Department has state-of-the-art laboratory which is managed by a Faculty-In-Charge, staff-in-charge and has the best-of-breed equipment's featuring Internet of Things (IoT), Cloud Computing, Blockchain, Machine Learning & Deep Learning, Artificial Intelligence, Neural Network, Social Networks, Web Semantic, Big data Analytics, Wireless Sensor Network, Natural Language Processing, Cryptography & Network Security.

The labs of department are given below:

- General Computing Lab:** Open-Source Tools, Linux, C, C++, Java, Python etc.
- IoT and Network Security Lab:** Network Simulator, IoT Simulator, Wireless Sensor Network Simulators, Social Network Analysis Tools, Network Security Tools etc.
- Cloud Computing Lab:** ANEKA software, Cloud Computing, Fog Computing, Edge Computing, Web Development, Web Semantics etc.
- High Performance Computing Lab:** Machine Learning, Deep Learning, Data Science and Analytics, Computer Vision, Image Processing, Blockchain etc.

## 8.8. DEPARTMENT OF MANAGEMENT STUDIES

The Department of Management Studies was established in year 2001. The main objective of the department is to impart academic programs in the field of management studies, and act as a centre of excellence in the field of management practices and applications in addressing the challenges of the emerging global business environment, society, and industries.

The department offers UG, PG and Ph.D. programmes in management studies. A 4-year UG programme namely the Bachelor of Business Administration (BBA) with the major and minor specializations is being run by the department. A 2-year PG programme namely the Master of Business Administration (MBA) with dual specializations in Marketing, Finance, Human Resource, Operation Management, Information Technology, Entrepreneurship, and International Business is being run since the inception of this department. Also, the department is imparting the Doctoral degree programme namely the Doctor of Philosophy (Ph.D.) in Management Studies with the major specializations in research areas of Marketing, Finance, Human Resource, Operation Management, Information Technology, and Entrepreneurship Development, and other relevant and the emerging fields.

The department had national MoU with IIM Indore, and international MoU (University of Wisconsin- USA). Currently two students' societies are existing in the aegis of department namely ESHAN and Finance Club.

The department regularly organises the various expert lectures by international and national renowned experts from the academic institutions and the industries on the relevant topics. And the department organises the various co-curricular activities through its finance club for the overall development of management skills being inculcated in the students.

Presently, the department is having 01 Professor working as the Head of Department of Management Studies supporting from the Department of Electrical Engineering, 06 Assistant Professors, 01 Professor of Practice supporting from industry, and 07 Guest Faculties are doing the academic activities of the department. The certain faculties of other departments of university also supports the various academic and other activities of the department.

### State-of-Art Facilities in the Department:

- 🕒 **MSD Computer Lab:** The computer lab is equipped with 40 PCs of i7 processors and latest software for analytical studies for various project and research work by management students.
- 🕒 **Smart Classrooms:** The department is having exclusively three lecture halls equipped with latest interactive panel for better experience in teaching learning process. In addition to that the smart classrooms equipped with latest interactive panels located in the central lecture hall complexes of the university are also being utilized for the students of the department.
- 🕒 **Smart Seminar Hall:** The department is having exclusive one seminar hall equipped with latest interactive panel for better experience in teaching-learning process. The seminar hall is utilized for various activities such as seminar, conference and expert lecture.
- 🕒 **Conference Hall:** The department is having a well-furnished conference hall being utilized for the various departmental meetings, project examinations, and other academic activities.
- 🕒 **Departmental Library:** The department is having its own departmental library containing the reference books, research projects, seminar reports and magazines etc. for easy access to students and engage in learning activities.

### 8.9. DEPARTMENT OF MATHEMATICS AND SCIENTIFIC COMPUTING

Established as an independent department in June 2019, the Department of Mathematics and Scientific Computing was previously a part of the Department of Applied Sciences, which was founded in 1962. Since its inception, the department has grown into a center of excellence for both education and research in mathematics.

63 Glorious Years

### Academic Programs Offered:

- ☞ M.Sc. in Mathematics (Specialization in Computing)
- ☞ Ph.D. in Mathematics

In addition to its main programs, the department also offers a variety of mathematics courses to undergraduate and postgraduate students from different engineering, science, and management departments across the university.

### Faculty and Research

The department boasts a team of highly qualified faculty members with expertise spanning both pure and applied mathematics. Major research areas include:

- ☞ Modern Algebra & Ring Theory
- ☞ Reliability Theory
- ☞ Numerical Analysis
- ☞ Special Functions
- ☞ Mathematical Biology
- ☞ Operations Research & Inventory Control
- ☞ Graph Theory
- ☞ Differential Equations
- ☞ Fluid Mechanics
- ☞ Mathematical Modelling

Currently, 17 research scholars are pursuing research in various emerging areas of mathematics. Among them, 8 scholars are recipients of prestigious fellowships of CSIR, UGC, DST, and NFOBC.

Approximately 20 students from M.Sc. and Ph.D. programs have successfully qualified GATE and NET examinations.

To stay abreast of recent developments in the field, the department regularly organizes workshops, expert lectures, and conferences, providing students with exposure to the latest trends and innovations in mathematics.

The department have an advanced computational laboratory. The details are as follows:

### Advanced Computational Laboratory

#### Salient Features:

1. Equipped with **20 desktop computers** featuring **8th Generation Core i7** and **Core 2 Quad processors**.
2. All systems are configured with the latest versions of mathematical and scientific software, including **Maple**, **LaTeX**, **Mathematica**, **MATLAB**, and more.

## 8.10. DEPARTMENT OF PHYSICS AND MATERIAL SCIENCE

The Department of Physics and Material Science has been started in 2019, inaugurated by Shri Yogi Adityan Ji Mahraj, Hon'ble Chief minister of Uttar Pradesh. Earlier it was the constituent part of Department of Applied Sciences which was established in 1962. The objective of present department is to impart teaching and promoting the implementation of practical aspects related to the Physics and Material Science to build a solid foundation as part of the Engineering Education. Apart from this department is also dedicated for the promotion of science education in higher studies through the post graduate course in physics running in the department. The Department also promote teaching and research in new and emerging areas and encourages the academic interaction of the faculty members and students for research and development at national and international levels. Department has started M.Sc. in Physics with specialization in electronics from the session 2018-19. The Department has well equipped laboratories for undergraduate, post graduate students and research scholars pursuing for their Ph.D. degree. Department is backed by well-educated, talented and dedicated faculty members to fulfill the objectives of the department. The Department has following listed laboratory with internet facilities:

- 🔗 Electronic Devices and Circuit Laboratory
- 🔗 Condensed Matter Physics Laboratory
- 🔗 Spectroscopy and Laser Laboratory
- 🔗 Analog and Digital Communication Laboratory
- 🔗 Optoelectronics and Optical Communication Laboratory
- 🔗 Microprocessor Laboratory
- 🔗 Photonic and Photovoltaic Research Laboratory

### 8.11. DEPARTMENT OF CHEMISTRY & ENVIRONMENTAL SCIENCE

Department of Chemistry & Environmental Science is the new emerging academic department of MMMUT, Gorakhpur. The department was established on June 22, 2019 and inaugurated by Goraksha Pithadish Param Pujya Sri Yogi Adityanath Ji Maharaj, the Honourable Chief Minister of Uttar Pradesh under the visionary leadership of renowned academician and technocrat Professor Sri Niwas Singh, Hon'ble Vice Chancellor of Madan Mohan Malaviya University of Technology, Gorakhpur. The Department is committed to fostering a respectful workplace culture and strives to cultivate a safe, inclusive and fair environment where staff, faculty, researchers and students can thrive as they advance new chemical frontiers through research, innovation, collaboration and scholarship.

As the nascent upcoming department, the pivotal focus is to cater to the academic and research requirements of the budding engineers and basic science researchers. It's vision is to become a leading university department by conducting quality research in the area of Chemical Science and Environmental Science and offer solutions to the problems organic, inorganic, physical, industrial, analytical chemistry and also solving ecological, environmental problems under the guidance of highly qualified academic team. Apart from imparting quality education to various graduation courses, the department offers Ph. D. in Chemistry as well.

The Department of Chemistry & Environmental Science provides a unique focus for addressing some of today's most pressing environmental and chemical problems. Additional opportunities for joint research are available with our colleagues at the premier Indian Institute of Department of Chemistry, Indian Institute of Technology, New Delhi, as well as International Institute at the Korea Research Institute of Chemical Technology, South Korea. The department's research is supported by grants and contracts from government sources, with principal strengths in the areas of polymeric materials, artificial photosynthesis, molecular modeling and environmental analysis. The department has following full-fledged laboratories equipped with internet facility.

### 8.12. DEPARTMENT OF HUMANITIES AND SOCIAL SCIENCE

The Department of Humanities & Social Sciences, Madan Mohan Malaviya University of Technology, Gorakhpur was established on March 23, 2023 after reconstituting the erstwhile Humanities & Management Science Department by separating the Management and Humanities & Social Science wings into two separate independent units with the view to expand the academic activities and programs in both the areas. The department has experienced and dedicated faculty members who have a strong commitment towards providing quality education and research in various areas of Humanities & Social Sciences. All faculty members are Doctoral degree holders. With a pool of highly competent faculty members the department is striving ceaselessly to fostering excellence and to open novel vistas in the various domains and sub domains of Humanities and Social Science by making our outgoing talents industry ready. The department aims to generate human resource of excellent quality with proven professional, interpersonal skills to cater to local and global needs. Faculty at department gives specific focus to cultivate entrepreneurial skills amongst graduates, post-graduates and doctoral scholars. In addition to academic and professional dedication, the Department tries to ensure that the philanthropic objectives of education must remain intact. Currently, the Department offers only Ph.D. programs in English, Economics, and Psychology. The Department has following air-conditioned laboratories with high-speed internet access and software for English language training:

- 👁 Language Lab I
- 👁 Language Lab II

### 8.13. DEPARTMENT OF PHARMACEUTICAL SCIENCE & TECHNOLOGY

The Department of Pharmaceutical Science and Technology started in the academic session 2021-22 with an intake of 60 students for the Bachelor of Pharmacy (B. Pharm.) program. The department aims to become one of the esteemed departments that is solely dedicated in the field of pharmaceutical education and research and to produce competent world class professional with glorious career. In the academic year 2024-25, the department also introduced a Ph.D. program in Pharmaceutical Sciences, further strengthening its focus on advanced research and academic excellence.

The goal of the Pharmacy program is to render professional skill, knowledge, abilities to serve in pharmaceutical industries and to provide appropriate medication service to the patient. The department is approved by Pharmacy Council of India (PCI) and is currently running B. Pharm. and Ph.D. programs. The Department has fully equipped laboratories, seminar rooms and classrooms to support effective teaching, learning, and research. Sanctioned Post of the Faculty in the department: 03 Professor, 05 Associate Professor, 08 Assistant Professor.

The Programs offered by the department are:

- ☞ Bachelor of Pharmacy Program started from session 2021-22
- ☞ Ph.D. in Pharmaceutical Sciences started from session 2024-25

## 9 CENTRAL FACILITIES

### 9.1. INFORMATION TECHNOLOGY RESOURCES CENTRE (ITRC)

Information Technology Resource Centre (ITRC) was established in 2005 under world bank programme (TEQIP-I) and is unique of its kind among all state engineering universities/colleges of U.P. The objective of the center is to provide the central computing resources under one roof to students, faculty and staff with a vision to support and strengthen the teaching-learning process and research. The local area network spread in almost entire campus is being managed from this center. It remains open for 24 hours and is equipped with advanced computer networking hardware and software tools. Having around 300 computers arranged in its different labs, it provides uninterrupted high speed internet connectivity to the entire campus with two leased line connections- 110 Gbps (1:1) NKN and 155 Mbps (1:1) BSNL leased lines.

#### Facilities available at/through ITRC

- ☞ 228 no. of computers and 8 no. of high-end servers (5 HP and 3 Blade).
- ☞ Power backup with 2 no. of 20 KVA UPS, 6 no. of 10 KVA UPS, 2 no. of 5 KVA UPS.
- ☞ Various design and training software tools for students and faculty members.
- ☞ Aryabhatta Seminar Hall with state of art facilities of Virtual Class for effective learning.
- ☞ Manages 3 conference halls- Aryabhata hall, J. C. Bose Hall and Golden Jubilee Hall equipped with video conferencing setup.
- ☞ Established two new halls- VC Conference hall and meeting hall in VC secretariat with advanced audio-video setups
- ☞ Three design labs with advanced software/hardware computing resources to cater to the needs of PG and Research students having total 70 computers.
- ☞ Three general computing labs with 100 no. of computers for UG students.
- ☞ One digital library exclusively for online study with 30 computers.
- ☞ Provides internet connectivity through OFC (of about 5 kms) to academic buildings, hostels and faculty/staff residences thus covering almost entire campus.
- ☞ Provides additional Wi-Fi connectivity in all major university buildings and their surroundings.
- ☞ Provides connectivity to Biometric attendance devices installed in various departments and sections for online attendance.
- ☞ Manages total 35 classrooms with 9 smart classrooms, 24 classrooms equipped with projectors and PA systems to support the effective teaching and learning.
- ☞ Manages Security system through CCTV Cameras installed at prime locations of the University.
- ☞ Manages computerized Gate Pass installed at university gate to further enhance the security.
- ☞ Establishment of two new Virtual Classroom is under process under the supervision of ITRC.

### 9.2. CENTRAL LIBRARY

Central library has a wide collection of books and periodicals on scientific, technical and allied subjects. It operates on open access system and students are

#### 9.4. MULTIPURPOSE HALL (MPH)

The air-conditioned Multipurpose Hall with a capacity of about 700 audience is used for various purposes like convocation, alumni meet, cultural fest, and indoor games.

#### 9.5. UNIVERSITY HEALTH CENTRE

The mission of the MMMUT Health Centre is to provide students with quality primary health care and education about healthy lifestyles. This Health Centre provides a full range of primary care, treatment, and referral services, as well as related health education programs. All programs and services are aimed at maintaining the physical and emotional well-being of university students.

The Health Centre is located in front of the University Cafeteria. This well-equipped facility provides medical treatment and office consultation space for a variety of outpatient services. This Health Centre provides a variety of services as elaborated below:

##### Medical Clinic

The Outpatient/General Medical Clinic is staffed by physicians and nurses. Appointments may be made with a physician or nurse practitioner; walk-in patients are evaluated by nurses. Minor surgical procedures may be performed after evaluation by a physician. Proper dressing is performed afterward. Serious medical conditions and emergencies are given priority in all cases. Emergencies may be referred to the District Hospital/ Medical College or any other area hospitals as warranted.

## Women's Health

The Women's Health care is provided by all-female staff including a gynecologist and a registered nurse staff with training and experience in gynecology.

## Services

Treatment of women's health issues including routine gynecological examination.

## Men's Health

A full range of health services for male students is available through this Health Centre.

## Sports Medicine

Medical services in support of the University Athletic Program are provided by an athletic medicine physician-nurse team. The services are offered in Sports Injuries as and when required.

### Services :

The services provided concerning sports injuries include primary care both in and out-of-season, physiotherapy, pre-competition physical examinations, and non-operative orthopedics relating to sports injuries.

To achieve the services mentioned on the previous page, this Health Centre is well equipped with the following human resources and infrastructure:

## Doctors

### Allopathic Doctors :

1. Dr. A.K Pandey, MBBS, PGDMCH, M. MED (Family medicine)
2. Dr. Reena Banka, MBBS, DGO

### Homeopathic Doctor :

1. Dr. Vijay Shankar Singh, BMS

## 9.6. GUEST HOUSE

The University has a Guest House which has a total of six double-bed well-furnished AC rooms. The Guest House facility is available to the external examiners, special invitees/guests of the University as well as to the parents of the students. Prior booking of these rooms can be made by contacting the officer-In charge guest house. The different type of room for stay in the Guest house will be as follows:

- ☞ Parents of Students
- ☞ Guest of Staff Members
- ☞ For others
- ☞ Alumni
- ☞ Official Guests (Members of BOM/Academic Council/Court/Finance Committee/Examination Committee/ Examiners and Experts)

## 9.7. CANTEN AND COFFEE HOUSE

The University has one air-conditioned Cafeteria and a Coffee Day outlet, which offers a very good canteen facility at an affordable price on the campus. It also has a University Canteen near the boy's hostel which remains operational round the clock.

## 9.8. BANK, POST OFFICE AND ATM

- ☞ Fully computerized branch of State Bank of India.
- ☞ Two ATMs and Post-Office facility inside the campus

### 9.9. TRANSPORT FACILITIES

Eight University buses are available for day scholars to commute to the University and for hostellers to the city of Gorakhpur or any other nearby place. Apart from buses, the University has two staff cars. Also, 02 Battery driven Auto-Rickshaws are available for the hostellers to commute from the University gate to their respective hostels.

## 10 TRAINING AND PLACEMENT CELL

The basic function of the Training & Placement Cell is to search for opportunities for graduate and post-graduate students at the University in various reputed organizations and industries. The Training & Placement Cell is engaged throughout the year in interactions for building up relations among universities and various reputed industries/organizations. The Cell works as a hub for the following services:

- ☞ Training & Placement of Students.
- ☞ Student Counselling & Career Guidance.

The Cell organizes the training and campus recruitment programs for students of all disciplines practical training for the students is arranged by the cell in consultation with and on the basis of availability of seats in different industries/organizations/ firms/ training centers to make the students have strong practical knowledge and to provide them to know the applications of scientific principles industrial training is essential for students as per university norms.

## 11 COUNCIL OF STUDENT ACTIVITIES

The University is strongly committed towards transforming its students into holistic professionals through various extracurricular activities and to do so, the University places special emphasis on student participation in various extra/co-curricular activities. To manage and coordinate such extracurricular activities, the University has a Council of Student Activities (CSA). A Professor level faculty member of the University heads the CSA and is assisted by two Vice Chairmen, an OSD and the Physical Training Instructor (PTI). The Council is further subdivided into various Sub Councils/Cells/ Clubs, prominent of which are the Technical Sub Council, Sports Sub Council, Cultural Sub Council, NSS, NCC etc. which keep the campus vibrant throughout the year. The Sub Councils/Cells/ Clubs are managed by a team of Faculty members and student's office bearers. Students participate in various extra/co-curricular activities at the Department and University level and earn marks/grades for ECA Courses. Besides in-house activities attracting participation of students from colleges/institutions located in different parts of the country, the University also encourages and provides limited financial support to its students to participate in national level sports/cultural/technical festivals being organized in premier institutions throughout India.

### Facilities :

The Council of Students Activities (CSA) has a brand-new, state-of-the-art sports stadium named 'Shaheed Bandhu Singh Stadium'. The stadium was inaugurated in 2020 by Hon'ble Chief Minister of Uttar Pradesh Shri Yogi Adityanath and has been named after the famous revolutionary of First War of Indian Independence Late Shri Bandhu Singh. Sprawling into 12 acres of land, the stadium has both outdoor as well as indoor facilities. The stadium has a Football ground, a Hockey ground, a Cricket pitch, a grassy ground for Track & Field activities, two indoor Basketball courts, and a Pavilion with 300 seating capacity. In addition to the stadium, facilities for the following indoor/outdoor sports are also available in the University:

# कुल-गीत

महामना की सुयश शोभा, तकनीकि की यह तपस्थली।  
योग-स्थली गुरु गोरक्ष की, बुद्ध की निर्वाण स्थली।।

दृश्य अनुपम् राप्ती का, मिलती गले रोहिन वलय।  
ज्ञान मार्गी संत कबिरा की, कृति हुयी मनोहर मधुमय।।

ज्ञान और विज्ञान का, मंदिर मनोरम शुभ्र पावन।  
शोध के जिज्ञासु करते, सरस्वती का चरण वंदन।।

मानवता का मंदिर मनोहर, आलोक मय दिव्य सुन्दर।  
गूंजता परिसर हमारा, सकल विद्या का शंख स्वर।।

नवीनता की खोज में, संलग्न यह विद्या सदन।  
सुज्ञान के इस कल्पतरु का, करते हैं हम शत-शत नमन।।
